- Engineered I-joist floor System
- RWC 10-year limited home warranty, transferable upon sales of home within first 10 years
- Each foundation is engineered for your specific homesite based on soil conditions
- Post tension foundation quality ensured by a foundation engineer

WARRANTY/VALUED

CONSTRUCTION TECHNIQUES CONTINUED

- On-site custom framing with wind braces on exterior walls
- 3/4" tongue and groove subflooring on second floors
- Third party inspections by Burgess Construction Consultants and municipalities at the following building stages: Foundation, Framing and Mechanical, Insulation, and Home Completion

DAVID WEEKLEY'S ENERGY SAVER PROGRAM

David Weekley's Energy Saver Program has combined the David Weekley Healthy Home program with Diamond Level Environments for Living requirements:

- Environments for Living guarantee is based on the heating and cooling usage portion of your utility bill - see the Sales Consultant for more information on the Environments for Living guarantee.
- R-22 (per plan) wall insulation system coupled with R-49 blown-in insulation in the attic helps control indoor temperature
- DOW Sheathing Products and DOW Sill Seal products are used to control water and moisture in homes
- Energy saving tankless water heater
- Jamsill door pans to prevent water intrusion
- Double paned Low E2 vinyl framed windows with Argon gas
- Jump duct interior air flow system to equalize air pressure between rooms
- Energy saving air conditioning system with variable speed fan achieving a 16 SEER rating
- Filtered fresh air ventilation system
- WiFi compatible thermostat
- Every home includes a Carbon Monoxide Detector, two-story plans include one on each floor
- Low volatile organic compound interior paint
- PEX plumbing system including fully transferrable 25-year warranty on PEX pipes and fittings
- Allergy Reducing MERV 10 air conditioning filters
- Water saving, low flow commodes
- Cement Hardibacker board and anti-fracture coating in shower and tub walls
- James Hardie exterior cladding products including siding, soffits and fascia - per plan
- Third party certified rater performs inspections to ensure home meets all requirements Environments for Living
