

David Weekley Homes

FACTS & FEATURES

PEACE OF MIND

RETREAT AT WEST CATAWBA | TOWNHOMECOLLECTION

DAVID WEEKLEY'S ENERGYSAVER HOME PROGRAM

- All David Weekley Homes come with Environments for Living certification verified by independent third-party engineering consultants who specialize in efficiency and green building techniques
- Environments for Living Gold certification guarantees the energy usage for heating/cooling of your home for the first three years
- High performance 14.5 SEER air conditioning system helps cool your home with less electricity
- Environmentally friendly refrigerant in our Lennox air conditioning system helps protect the Earth's ozone
- 96% efficient gas furnace heats your home with less energy
- Jump ducts and air pressure balancing even out temperatures and allow your air conditioning system to be more efficient
- Third Party performance verification to ensure minimal home leakage exceeding Department of Energy standards
- All duct work sealed with a hard cast mastic to reduce leaks
- Cooking surfaces vented directly outside to minimize kitchen heat and scents
- Fresh Air intake system to bring in filtered, outside air for a healthier home
- Sound dampening low E2 glass vinyl windows help insulate your home and reduce maintenance costs
- Improved sound dampening Thermal Envelope System (R38 wall system and blown-in insulation in the attic) contribute to overall efficiency
- Caulk and Seal program to minimize air leakage and further maximize energy efficiency
- Rehau PEX corrosion resistant plumbing system
- Water barrier system for tubs and showers as a defense against leaks
- Carbon monoxide and smoke detectors with battery back-up
- Combustion appliances sealed or power vented to avoid buildup of carbon monoxide
- Low Volatile Organic Compound Paints are utilized to help maintain better indoor air quality
- Environmentally friendly termite pretreatment on lumber to reduce the risk of damage to your home
- 50-gallon electric water heater
- Advanced Framing - a collection of homebuilding techniques using 2x6 exterior wall framing designed to reduce both construction waste and lumber required for your home; thereby creating a more energy efficient framing layout

EXTERIOR

- Signature David Weekley Homes' elevations with most innovative designs creating a timeless streetscape
- THERMA-TRU painted fiberglass insulated front door with Schlage latch hardware. Other exterior doors are painted, single lite metal insulated double-paned glass.
