DAVID WEEKLEY'S ENERGYSAVER PROGRAM

- All David Weekley Homes come with Environments for Living certifications verified by independent third-party engineering consultants that specialize in efficiency and green building
- Environments for Living Gold certification guarantees the energy usage for heating/cooling of your home for the first three years
- High performance air conditioning system helps cool your home with less electricity
- Environmentally friendly refrigerant in our air conditioning systems help protect the Earth's ozone
- 96% efficient gas furnace to help heat your home with less energy
- Jump ducts and air pressure balancing to even out temperatures and allow your air conditioning system to be more efficient
- Third Party performance verification to ensure minimal home leakage exceeding Department of Energy standards
- All duct work sealed with a hard cast mastic to reduce leaks
- Cooking surfaces vented directly outside
- Fresh Air intake system to bring in filtered, outside air for a healthier home
- Low E2 and sound dampening glass vinyl windows help insulate your home and reduce maintenance costs
- Improved Thermal Envelope System (R-19 wall system and R-38 blown-in insulation in the attic)
- Caulk and Seal program to minimize air leakage and further maximize energy efficiency
- PEX corrosion resistant plumbing system
- Carbon monoxide and smoke detectors with battery back-up
- Combustion appliances sealed or power vented to avoid buildup of carbon monoxide
- Low Volatile Organic Compound Paints are utilized to help maintain better indoor air quality
- Environmentally friendly termite pretreatment on lumber to reduce the risk of damage to your home
- 50-gallon electric water heater
- Advanced Framing - a collection of homebuilding techniques using 2x6 exterior wall framing designed to reduce both construction waste and lumber required for your home; thereby creating a more energy efficient framing layout
- Warm, richly appointed traditional elevations with David Weekley Homes' most innovative designs
