

David Weekley Homes

FACTS & FEATURES

PEACE OF MIND

BRIDLE RUN

DAVID WEEKLEY'S ENERGYSAVER™ PROGRAM

- All David Weekley Homes' come with **Environments For Living®** certification verified by independent third-party engineering consultants that specialize in efficiency and green building
- **Environments For Living®** certification guarantees the heating/cooling energy usage of your home for the first three years
- Home is air pressure tested and balanced from room to room for optimum comfort, even with the doors closed
- Fresh air ventilation is part of the David Weekley **EnergySaver™** Home to help eliminate airborne pollutants from inside the home, which helps you to breathe cleaner air
- Emphasis on indoor comfort means the home is designed for lower humidity and the temperature does not vary excessively from room to room
- All David Weekley Homes in this community are **ENERGY STAR 3.1 Compliant** meeting the energy efficiency guidelines established by the U.S. Environmental Protection Agency.
- **Lennox** air conditioning system with hard-cast sealed ductwork that is air pressure tested to reduce air leakage and improve efficiency
- **Lennox** single stage gas furnace for consistent heating
- Windows with Double-pane Low E glass for maximum efficiency
- Screens included on all operable windows
- 2x6 Exterior Walls with 46% more insulation
- R-19 Batt Insulation in Exterior Walls and sloped ceilings with full baffles to soffit ventilation system
- R-38 Insulation in Ceilings
- Energy conserving poly-sealant around base plates, doors, windows, and all penetration points to prevent air infiltration
- All microwaves/vent hoods are vented to the exterior to remove odors, moisture and other pollutants
- **PEX** Plumbing with a 25-year warranty
- Energy saving **Rinnai** natural gas tankless water heater
- Vented crawlspace foundation
