## **Home is where the heart is.**

Years we waited to buy a house. Painful years of raising children in someone else's home. Years I got to ponder what it would be like to have something of my own. I envisioned my children sitting in their home, playing in their rooms, running through their yard...and the days of waiting were over, all of my research paid off. We bought the house of my dreams and were given the best sales associate and builder, down to my warranty specialist. Everything was easy and seamless. I felt like we were working together, like a team. Now, I have a beautiful house that I know was built with integrity. I could not be more grateful.
